Little League All-Star Basketball Games To Be Played Feb. 21

Again this year, the Appomattox Junior Woman's Club is sponsoring three Little League All-Star Basketball Games on Saturday night, February 21. The games will be played at the Appomattox High School Gym. First game time will be 6:30 p.m. and the others will follow thereafter. Admission will be $1.00 adults; 50c school age, children under 5 free. All proceeds from these games will be donated to the Pediatric Endocrine Lab in Charlottesville, in the name of Eddie Lewis, 7 year old son of Mr. and Mrs. Ray Lewis of Spout Spring. Eddie is suffering from a pituitary gland malfunction. For the past five years, the P.E. Lab has been treating him for this defect and he has become a symbol locally of real courage. Eddie has become a celebrity recently in that he was photographed for a cover picture on a national magazine and was filmed for a commercial on Channel 12 TV with the Richmond Robins Ice Hockey Team which is being shown January 30 - February 14. Eddie will also appear Saturday, February 14, at the Robins Ice Hockey Game in Richmond as a special guest.

It is the hope of the Jr. Woman's Club that everyone will come out along with their families and enjoy an evening of exciting and excellent recreational activity demonstrated by the youth of Appomattox County as well as support a worthy cause. The age groups to play in these games will be 8-9 year olds, 10-11 year olds, and 12-13 year olds.

Be sure to watch for next week's list of the All-Star winners to play February 21.

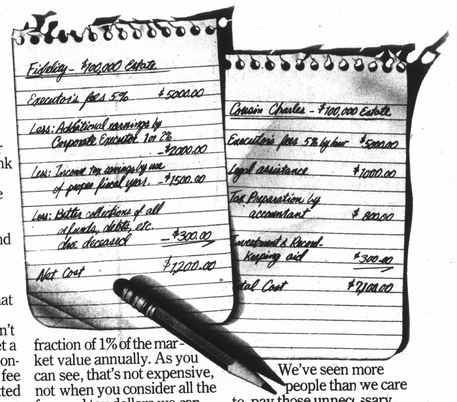
IT'S NOT OUR FEE, OR NO FEE.



The old saying holds true, unfortunately, even when we die—there is no such thing as something for nothing. A lot of people think that by not having a will or estate planning that they're saving money. They are. They're saving it so that their beneficiaries can spend it on unnecessary fees and taxes.

When you name us as executor of your estate, (that means that we probate or carry out your will) you don't get just one person, you get a department full of professionals. And you get them at a fee that is less than that permitted by law. You should have a will; and you should have Fidelity help you arrange it and act as your executor. Like we said, it'll save your beneficiaries money (and grief), and besides, it's worth it.

Fees charged when we serve as trustee are equally modest. Matter of fact, our trustee fees amount to only a fraction of 1% of the market value annually. As you can see, that's not expensive, not when you consider all the fees and tax dollars we can save.

Take a good look at the chart which compares us to Cousin Charles as executors of your will. Now, we'll grant you that this is only a hypothetical case, and that Cousin Charles might not have acted exactly as we anticipated (he might have done worse); however, we're basing this on a whole lot of experience.

We've seen more people than we care to, pay those unnecessary fees and taxes, that you can save. Why not give Fidelity a call and get all the facts.

By the way, if you can't come to us, we'll come to you—we know the territory. Call Floyd L. Eggleston at 352-7124.

"My daddy taught me two things. Milk a cow from the right, and save at Lynchburg Federal. Now Lynchburg Federal's up and changed to American Federal. I sure hope Bossie doesn't get any big ideas."

What's the big idea behind our name change? Well, it's simple. Lynchburg Federal has grown to cover a lot more than Lynchburg. And, besides, the nation's 200th birthday seemed like a nice time for us to go American.

But some things you don't tamper with. Our savings rates are as friendly as ever and so are our people. So come see us.

If anything, we're a little friendlier now that we're making a new name for ourselves.
